

The quick check is successful

Kurtosis Score: -33.27327359403237

Pvalue: 9.406140417354143e-243

Skew Score: -46.77877652199475

Pvalue: 0.0

Either test produced a significant outcome

The test indicates a non-parametric technique

Statistics: 91.57228245600338

Pvalue: 1.8354376256946446e-40

The test produces a significant outcome

WARNING! The analysis results may not be reliable due to heterogenic variances between test groups

Statistics: 5374.061572124925

Pvalue: 0.0

The test produces a sginificant outcome

Original Size: 109982

New Size: 109982

The tests produced a significant outcome across the entire data collection period.
